## WINNIE THE POOH

One Act, Book Musical  
KIDS Collection Version

Welcome to the Hundred Acre Wood, where Winnie the Pooh is once again in search of honey. Along the way, he meets his pals Tigger, Piglet, Rabbit and Owl, but soon discovers that Christopher Robin has been captured by the Backson! As they prepare for a rescue operation, the animals learn about teamwork, friendship, and sharing snacks! Based on the beloved characters of A.A. Milne and the 2011 Disney animated feature film, this show is the perfect first show for young performers.

Grades K-5

For more info or to register for this production, please stop by the front desk!
