NEW Voice Class for Young Theater Singers! Ages 7-9 | Mondays 4-4:40p | Oct 7-Nov 11 | \$70 (includes vocal book)

In this 6-week course students will be introduced to healthy vocal technique that will keep them singing for years to come! Attention will be given to breath control and support, removing vocal tension, listen for pitch and intonation, diction and sound production. The class will also include basic music theory and students will begin to assemble a notebook of appropriate solo vocal literature. Each class member will receive his/her own copy of "Full Voice Workbook" Level I. Students will bring this book along with a pencil to class each week. Additional music selections will be provided by the instructor. Class size is limited to 8 students.

NEW Voice Class for Intermediate Theater Singers! Ages 10-12 | Mondays 4:45-5:25p | Oct 7-Nov 11 | \$70 (includes vocal book)

This 6-week course will focus on healthy singing habits and techniques for older singers including breath support, release of vocal tension, intonation, and sound development. Students will be taught basic and intermediate music theory/music reading skills. Students will receive vocal exercises to practice at home and also appropriate literature in folk, light-classical, and theatrical styles. In addition, the class will also focus on developing strong performing skills and audition techniques such as selecting appropriate music, cutting music, handling nerves, etc. Each class member will receive his/her own copy of "Full Voice Workbook" Level II. Students will bring this book along with a pencil to class each week. Additional music selections will be provided by the instructor. Class size is limited to 8 students.
